WOULD YOU LIKE TO HOST A FOREIGN EXCHANGE STUDENT?

NOTE: We are looking to host three foreign exchange students for the 2018-19 school year. PLEASE read below and consider hosting!

When you host a foreign exchange student, your entire family will discover a world of learning, a new culture, fun and adventure! Catholic Central High School is looking for loving families to open their hearts and homes to exchange students from Europe, Asia, South America, and many other countries. We have had foreign exchange students at Catholic Central for many years, and their presence has greatly enhanced our student body and school culture. Lifelong friendships have been made with students here at our school as well as with the exchange student's host family.

Host families receive a monthly stipend for having an exchange student. The exchange students bring with them their own spending money, supplies, and insurance. All tuition, hot lunch, and school fees are paid for by the exchange student's natural parents. Host families supply room, food, and transportation to school. Love, patience, and understanding, are also vital requirements of all good host families!

Catholic Central is currently looking for host families for the 2018-2019 school year. Host families must go through an application process in order to be accepted by the organizations we work with. If you are interested in learning more, please contact Karen Schwenn, in the CCHS Admissions Office, at 763-1510 ext.225, or by email at kschwenn@cchsnet.org.

“Cross-roads of Civilization” Field Trip

Students in Susan Dosemagen's World History class visited the Milwaukee Public Museum this week and participated in docent-led tours of the "Crossroads of Civilization" exhibit. This outstanding display of the evolution of the earliest civilizations is celebrating its third anniversary in March. Following their tours, some of the students had the chance to meet Carter Lupton, creator and curator of the display. Mr. Lupton is Curator Emeritus, Ancient History, at the museum and has a special interest in mummification. His educational background is specifically in Anthropology and Archaeology. **#topperslearn**

CHANGE 4 Hope Facts and Figures

Who are we? We are kids who want to help kids in Tanzania, East Africa go to school.

How can you help kids go to school? Please take cans (for individuals) or a label (for homeroom collection jars) and collect loose change for one month. The goal is to collect a can full of change. For an exciting campaign, set up a competition between classrooms! Bring cans to sports events and lunchrooms for an even bigger collection!

How does the money get to the kids in Tanzania? At the end of the month, we will collect your donations and deposit the money in our **C4H Student Scholarship Account**. When we have collected \$350, we provide a scholarship for one year for a student in Tanzania through our parent organization called **Partners 4 Hope Tanzania**. (501c3 non-profit).

So far we have provided a four-year scholarship for 24 kids to go to private schools!
