Bailey Bleser Signs with the McKendree University Bass Fishing Team

The Bearcat fishing team is very excited to have Bailey Bleser sign with the program for the 2018-2019 fishing season. Here is what they have to say about him: "Our program is so fortunate to have an angler with his experience, skill set, and passion for the sport. His outstanding character, leadership skills, and hard work ethic will also be a great addition to our McKendree campus and family."

Congratulations! #topperpride

Principal's Message- Bonnie Scholz

The second Sunday of Advent's scripture reading focuses on John the Baptist proclaiming, "Prepare the way of the Lord. Make straight His pathways." People came to be baptized and to confess their sins. In these past few Advent days, I have had the opportunity to meet with many of our grade school pastors, parents and principals. During this advent season, I can feel the pathways being straightened and strengthened, and our community growing and re-connecting in our faith, and our commitment to K-12 Catholic Education. We are blessed in our faith partners and we are so honored to be "co-workers in the vineyard of the Lord" with our parish and grade schools! **#onebody**

CCHS Alumni News!

2015 Alum Jobe Wagner was the CCHS Drummer Boy! Recently playing for Pope Francis with the group "Up With People. We are truly blessed!"

ATTENTION TOPPER FANS

CCHS has been working hard to update our security on our campus. We have installed a new exterior key pass system, and have increased our security cameras. In addition, we have limited our entrance points for all sporting events to the ADA compliant MAC entrance. Rest assured that we wish to welcome all patrons to a safe and secure venue.

Thank you in advance for your cooperation.

The Cookie Walk is almost here!

On Sunday, December 17, CCHS will host its second annual holiday cookie walk and gift fair. There will also be a special performance by our CCHS Christmas Choir at 11:30 AM! What's a Cookie Walk? A Cookie Walk is an event where a large assortment of homemade cookies is laid out on tables for purchase. Customers will receive a glove, a container and an opportunity to choose their cookies-- all different and all homemade. Cookies will be sold for \$6 per pound. For this event to be a success we need LOTS of help. Sign up here: [Cookie Donation Sign Up](#) or Contact Georjean Selburg at: gselburg@cchsnet.org

From Development

TOPPER AUCTION WAS A SMASH HIT!!!!

Catholic Central High School celebrated its 33rd Annual Topper Dinner and Auction this past Saturday, December 2nd at the Veterans Terrace. Over 250 guests participated in an evening filled with "Old Hollywood" ambiance, red carpets, champagne and even Oscars. Games such as "Reverse Bingo" and "Heads or Tails" kept the audience on its feet, and a 2017 Chevrolet Spark, worth \$15,000, and Southwest Airlines gift cards, worth \$1,000, were also raffled off. Trattoria Di Carlo provided the delicious dinner and hors d'oeuvres, and with the help of the Development Office, staff, faculty, parents, alumni and dozens of student volunteers, the event proved nothing less than spectacular! Live auction items included: two flights on a private jet with a luxury condo for three nights, two trips to Colorado, a full orthodontic treatment and a two nights stay at Lodge Kohler in Green Bay, along with Packer tickets. Our amazing CCHS family raised over **\$43,000** to create a fund to support further degree education for our current faculty during the Fund-A-Need portion of the auction. A profit report should be available within the next week, but so far, all predictors point to a BANNER year! Be sure to put next year's auction on your calendar for Saturday, December 1st, 2018.

From the Counseling Center

Seniors: it is scholarship time. You need to switch gears from applications, and work to cut the cost of your college education. Many scholarships are listed on our web site. In December, I will present a classroom unit for all seniors on scholarship searches and completing applications. Seniors will start at least one application when this presentation is finished. The career/college center will be open during study halls and academia to continue the scholarship process

Other Important Events

Tuesday, December 12
