We are very happy to have the expertise of Ms. Sami.

Remember seniors can apply for FAFSA beginning October 1st and schools can begin to estimate and award scholarships after receiving the students FAFSA form. This is new as of last year.

Need more information? Contact our new Counselor, Ms. Jane Gabrielson at: jgabrielson@cchsnet.org

COLLEGE FAIRS are great for students to gather information and meet admission counselors. I highly recommend juniors and their families to attend these fairs. On Oct. 20th, all juniors will participate at a college fair with over 100 schools. The preparation for the fair will consist of a search of schools and careers through the classroom guidance units. The students should have great questions to ask at the fair and have some colleges in mind to pursue.

Student Excellence Scholarship

Purpose

The purpose of the Herb Kohl Excellence Scholarship program is to recognize student leadership, citizenship, school and community involvement, and academic achievement. It is the goal of the Herb Kohl Educational Foundation to encourage Wisconsin youth to pursue post-secondary education in a public or nonpublic university, college, or vocational/technical college. The Foundation awards \$10,000 scholarships to 100 Wisconsin high school graduates each year.

Selection Criteria

Students will be evaluated on their leadership, citizenship, school and community involvement, and academic achievement. In addition, students will be evaluated on their ability to clearly articulate goals in each of four areas: future educational goals, personal life goals, community/society service goals, and career goals.

Each student must submit **three letters of recommendation**, one from each of the following categories:

1. Teacher;
2. Counselor or Principal;
3. Community member or family friend who is not affiliated with your school district.

Letters of recommendation: The selection process will consist of a scholarship committee from Catholic Central. This committee will choose the winner from Catholic Central to move forward in the competition. **Only the school winner will be required to get a principal and counselor recommendation.** Deadline for all in-house applications is **Nov. 10th**. Please turn you applications into the counseling office. www.kohleducation.org/studentexcellence/

From the Rotary Club:

The Rotary Club offers lunch every Monday, to junior or senior students from CCHS from 11:45-1:00PM. Two students each week have the opportunity to get to know the Rotarian's and learn about their scholarship opportunities. This offer is also extended to BHS students. It is important that the Rotarians are able to put a face and name to potential scholarship recipients. See Ms. Gabrielson to sign up. We need two students for this coming Monday, September 18th!
